Prayer Requests

Mission focus: Kent, Washington, USA

Formal organization of the Church of the Nazarene occurred in 1908 with the merger of several like-minded holiness groups. As in many parts of the world, there is an ever-increasing secularization of society, and in the post-COVID world, the United States finds itself fragmenting politically, socially, and economically with many Americans feeling isolated between extremes. There is a renewed emphasis on evangelism, discipleship, and church planting. People are looking for church communities committed to authenticity, open-hearted fellowship, and a sense of belonging. The message of scriptural holiness is more relevant than ever. It expresses itself through missions, often to the marginalized and disenfranchised of society, many of whom are immigrant populations who entered the United States as refugees from around the world. The significant increase in refugees seeking asylum in the United States has provided wonderful opportunities to bridge differences between cultures and introduce the love of Jesus to all who locate in neighborhoods where the Church of the Nazarene is present. The USA/ Canada Region is focusing this year on Blessing our Community. By utilizing resources we can connect with and bless others who need to know that they are loved and cared for by Christ’s followers.

\*Pray that the gardeners and the Afghan women will experience the love of Christ in their friendship with the church members.

\*Pray that a revival will break out in the churches and in the hearts of Nazarenes throughout the USA/Canada Region.

\*Pray that the Church of the Nazarene will continue to find creative ways to reach others for Christ and to bless their communities.
